Subject: Distribution of Students for Mentors.

Respected Sir,

As mentioned above II BAMS Students are here by distributed among the respective Mentors by Random AI Distribution Technique. All Mentors are suggested to follow the Mentor class terms mentioned below:-

1. Meet students periodically to track academic progress and well-being.
2. Maintain an updated Mentor's Register with details of attendance, interactions, and activity record.
3. Motivate students for extracurricular and co-curricular activities.
4. Take mentor's permission before students approach the class coordinator. Report student-related issues to the class coordinator.
5. Handle student concerns with sensitivity and confidentiality. Create a approachable, and respectful mentor-mentee relationship.
