4.2.1: Teaching Hospital, Equipment, Clinical Teaching–Learning and Laboratory Facilities

Spoorthi Ayurveda Medical College & Dr. S. V. Savadi Ayurveda Hospital, Gangavathi – 583227, Karnataka, functioning under Atreya Ayurveda Pratisthana®, has a well-established teaching hospital with adequate clinical infrastructure, diagnostic facilities, medical equipment, laboratories and specialised treatment units to support undergraduate Ayurvedic medical education, clinical training, patient care and research activities in accordance with the requirements of the respective regulatory bodies.

1. Outpatient Department (OPD) Facilities

The teaching hospital provides comprehensive outpatient healthcare services through various general and specialised OPDs, including:

1. **Kayachikitsa (KC)**
2. **Panchakarma (PK)**
3. **Shalya Tantra**
4. **Shalakya Tantra**
5. **Kaumarabhritya (KB)**
6. **Prasuti Tantra Evam Stree Roga (PTSR)**
7. **Visha Chikitsa**
8. **Swasthavritta and Yoga**
9. **Speciality OPD**
10. **Atyayika / Emergency OPD**

These departments provide clinical consultation, patient examination, diagnosis, treatment and follow-up services while facilitating practical clinical exposure for students.

2. Inpatient Department (IPD) Facilities

The institution has a **60-bedded teaching hospital**, with inpatient beds earmarked as follows:

- **Surgical Wing – 24 beds**
- **Medical Wing – 36 beds**
- **Total – 60 beds**

The IPD facilities support inpatient management, clinical observation, bedside teaching, case discussions, treatment planning and practical skill development. The OPD and IPD sections are provided with the necessary instruments, equipment and clinical resources for patient care and teaching.

3. Diagnostic and Laboratory Facilities

The hospital has well-equipped diagnostic and laboratory facilities to support clinical investigations, disease assessment and patient management.

Available diagnostic facilities include **CT Scan, Ultrasonography (USG), Electrocardiography (ECG), X-ray and clinical laboratory services**. These facilities support diagnostic evaluation, clinical decision-making and integrated patient care.

4. Panchakarma and Specialised Treatment Facilities

The hospital has dedicated **Panchakarma treatment facilities, a Panchakarma Theatre and Kaumara Panchakarma facilities** for specialised Ayurvedic therapeutic procedures.

A **Pathya Kalpana facility** is also available to support therapeutic dietary preparations and practical learning related to Ayurvedic dietetics and patient nutrition.

5. Operation Theatre and Surgical Facilities

The hospital has **Major, Minor and Modular Operation Theatre facilities** equipped to support surgical procedures, clinical demonstrations and practical training.

These facilities provide students with exposure to surgical practices, procedural techniques, aseptic precautions and perioperative patient management.

6. Reproductive and Maternal Healthcare Facilities

Specialised facilities for **Garbha Samskara and In Vitro Fertilisation (IVF)** are available to support reproductive healthcare services, maternal wellness and clinical learning in the field of Prasuti Tantra Evam Stree Roga.

7. Pharmacy and Physiotherapy Facilities

The hospital has a **medical pharmacy** to support the dispensing and availability of medicines for patient care. Physiotherapy facilities are also available for rehabilitation, physical therapy and supportive treatment services.

8. Clinical Teaching-Learning Facilities

The institution has a **dedicated clinical teaching classroom** for bedside teaching discussions, case presentations, clinical demonstrations, diagnostic interpretation and competency-based practical training.

Students receive clinical exposure through OPD consultations, IPD case management, diagnostic investigations, therapeutic procedures and departmental clinical activities.

Conclusion

With its **60-bedded teaching hospital, specialised OPDs, diagnostic laboratories, advanced imaging facilities, Panchakarma units, surgical theatres, reproductive healthcare facilities, pharmacy, physiotherapy and clinical teaching infrastructure**, the institution provides an integrated environment for quality patient care, clinical competency development, practical education and research-oriented Ayurvedic medical training.
