## What aspects of teaching can be improved?

59 responses

Nothing

-

None

Speed should b reduced and should give little time to note down notes on PPT 😊

Should explain some more on important shlokas

Specification of what author is conveying.

Nothing everything is fine and good

Explanation could be improved and shloka can be read before giving explanation

"The teaching speed could be decreased slightly so that students have more time

The way of explanation

Notes and maybe more analogy to relate it with more clinical aspects

Everything is good

Their teaching feels fast

More detail and clearly explanation and proper notes detect

Explanation in wider range

The way of conveying the concept in slow manner

Giving notes and reducing the speed of conveying

No

Ok

Improve in ppt presentation

Nothing only notes needed

Her speed of delivering lecture is more.she needs to slow it down Little.

She should be more strict

she is improving

Breaking down complex classical verses word-by-word with clear English or regional language translations rather than just reciting them.

Giving more explanation about shlokas

slow speed

Notes and deep explanation

Making us to habitual to commentary reading

Ntg

Improve the Speed of teaching

With proper ppt

More detailed explanations and related information or examples

All good

By giving more examples

She gives the depth information according to the particular topics orally , if she give those in ppt means it will be helpful to remember us for long time

Slow speed and intract with student

Speed is more, should slow down a bit

Should be slow while teaching

His method of teaching is good but meanwhile she can't relate it with any medical terminology or to modern because of that I can't understand concept properly

While explaining should give time complete notes..

Presentation skill

Little Clear explanation

All are good

Should provide elaborated notes

Not provide proper notes

Explain with more examples

Notes

Give some imp notes

Good

She has to slow down her teaching

To slow down her teaching and be as much clearer towards the topics and have efficient information regards to the topic she is dealing with

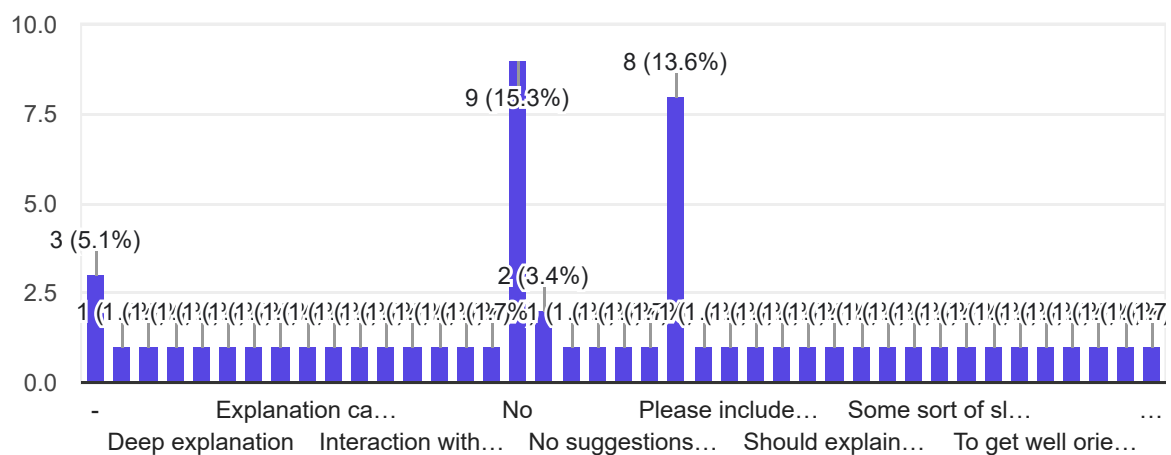

Should explain more easy way and add some hindi language while explaining for better understanding

No improvement
