Ref: NAAC 7.3 **Date: 29-10-2026**

7.3. Portray the performance of the Institution in one area distinctive to its priority and thrust

Spoorthi Ayurvedic Medical College & S. V. Savadi Hospital, Gangavati, has identified quality Ayurvedic education, practical skill development, research-oriented learning and holistic patient care as its distinctive priority and thrust areas.

The institution strives to integrate the principles of Ayurveda with modern scientific knowledge to prepare competent, skilled and socially responsible Ayurvedic professionals.

1. Quality Ayurvedic Education: The institution provides quality education in accordance with the NCISM curriculum. Various teaching-learning methods, including classroom teaching, seminars, group discussions, demonstrations, clinical discussions and practical sessions, are adopted to enhance students' knowledge and understanding of Ayurveda.

2. Practical and Skill-Based Training: Special emphasis is given to practical training in various Ayurvedic pharmaceutical preparations. Students are trained in the preparation, processing and quality assessment of different Ayurvedic formulations through departmental practical activities, particularly in Rasashastra and Bhaishajya Kalpana.

3. Research and Innovation

The institution promotes a strong research and innovation culture among undergraduate students through **Manthana Central Research Laboratory (MCRL)**, which provides research facilities and encourages UG students to undertake scientific research. Special encouragement is given through the **Yukthi Research Grant 2026** to motivate students to develop research projects. Further, the **Dr.APJ Abdul Kalam Innovation Centre** encourages creativity, innovative thinking and problem-solving skills among UG students, nurturing future researchers and innovators in Ayurveda and healthcare.

4. Holistic Healthcare Services: Through S. V. Savadi Hospital, the institution provides Ayurvedic healthcare services to the community. Clinical exposure helps students understand patient management, Ayurvedic treatment principles, preventive healthcare and the importance of a healthy lifestyle.

5. Community Outreach and Social Responsibility: The institution actively organizes health awareness programmes, medical camps, commemorative day celebrations and community health activities to create awareness about Ayurveda, preventive healthcare, hygiene and healthy living.

6. Student Development and Gender Equity: The institution promotes an inclusive learning environment through extracurricular activities, women's empowerment programmes, self-defence and karate training, Navaratri celebrations and other gender sensitization initiatives.

Through these continuous efforts, Spoorthi Ayurvedic Medical College & S. V. Savadi Hospital aims to preserve traditional Ayurvedic knowledge while promoting scientific understanding, professional competence and community-oriented healthcare.

The institution remains committed to excellence in Ayurvedic education, pharmaceutical practices, research and patient care, thereby contributing to the development of skilled Ayurvedic graduates and a healthier society.
